

Feb. 22, 2022

Dear Leadership Council Representatives,

Please join us for our March 9, 2022 Leadership Council Meeting at 12 noon - 1:15 PM EST.

We have heard from many of you that you would like to have more open space for connecting with each other, so this meeting will have that. We will also share the latest news from ISMETA's Visioning, Competencies, and Legacy and Evolution Projects. This meeting will also provide an opportunity for us to engage around how to make the Professional Pathways Conference at the end of April / beginning of May a huge success.

We have noticed that the [Leadership Council Roster](#) is out of date in some places. Please can you check your contact info and email any updates to info@ISMETA.org.

Approved Training Programs are required to attend two of our four meetings a year. We hope you will be able to attend, you won't want to miss these important discussions. Sign into your account and RSVP Today. Meeting Access will be sent once you RSVP.

AND as always:

- Review the [ATP Handbook](#) containing all the important ISMETA information you need to keep track of in one place. It lives in the Leadership Council Portal so you will always have access at your fingertips.
- Use the ISMETA Logo wherever possible and on your website in a prominent place.
- Visit the [Leadership Council Portal](#) often for a copy of this and other important communication.

See you soon,
The ISMETA Leadership Council Team
