

ISMETA Professional Member PLUS Membership includes Professional Liability Insurance.

ISMETA has negotiated special group rates for high quality professional liability insurance for our members. All new and existing members are invited to consider choosing the Plus Membership category to receive this added benefit of Professional Liability Insurance.

This membership category is NOW AVAILABLE for our members practicing in the US and Canada AND the United Kingdom, the European Economic Area and South Africa. [See full list of countries where ISMETA Member Plus is available.](#)

Due to specific insurance laws in specific countries, the Plus Membership for our members living in different parts of the world will be slightly different both in process and coverage. (Continue to the Professional Member PLUS buttons below for detailed process directions.)

With ISMETA's Insurance, you may receive up to:

US and Canada: \$2 million per occurrence/\$6 million aggregate for professional liability, general liability and personal injury covered losses. [Sample Certificate of Insurance](#) with details.

OR

UK, European Economic Area and South Africa: £/€5 million indemnity for Professional Indemnity, Medical Malpractice and Public and Products Liability. [Details Here.](#) [Link to list of all countries included.](#)

If you have questions about the availability of the ISMETA Professional Liability Insurance Plan in your area please contact us at info@ISMETA.org.
