

ISMETA Professional Member PLUS – US and Canada Plan includes Liability Insurance

ISMETA has broad Liability Insurance available for our Professional PLUS Members. We have negotiated an arrangement that allows our members to benefit from group buying power for high quality liability insurance. All new and existing Professional Members are invited to choose this Membership category to receive this added benefit with your ISMETA Membership.

With ISMETA's Insurance, you may receive up to \$2 million per occurrence/\$6 million aggregate for professional liability, general liability and personal injury covered losses. [See a Sample Certificate of Insurance Here.](#)

If you have questions about the availability of the ISMETA Professional Liability Insurance Plan please contact us at info@ISMETA.org.

If you have questions about the policy, would like to add an additional insured, report a claim, or would like a copy of the insurance policy, please call our insurance administrator, Healthcare Providers Service Organization (HPSO) at 866-461-1227 during their normal office hours Monday – Friday from 8:00 AM until 6:00 PM EST or amtamember@hpsso.com and identify yourself as a Federation/ISMETA member.

This US and Canada membership category which includes the insurance benefit is currently available for our members living and practicing in the US and Canada. Those international members who are teaching in an ISMETA Approved Training Program in the US and/or Canada are eligible to be insured while teaching or practicing in the US or Canada through this plan. For those members living and practicing in other parts of the world, please refer to the UK, European Economic Area and South Africa Plan.
