

Publicizing your Work through ISMETA

- **Please POST your events (i.e. workshops, classes, trainings) to the [Events Calendar](#). Find the instructions on how to do this [HERE](#).**
- “Newsworthy” items such as book launches, journal article publication, receiving an award, program relocation, a new Approved Training Program or Affiliated Professional Organization joining ISMETA, Call for Conference Proposals, Call for Journal Submissions, or other items you find of interest that fellow members may also find interesting, can be submitted to the Newsletter, ismetanews@gmail.com, by the monthly deadline of the 25th of each month.
- Please participate in the “Essential Elements of Somatic Movement” video library that ISMETA is creating by recording an experiential introduction to your training program! Details can be found under the RESOURCES tab in the [Leadership Council Portal](#).
- Submit a Blog article (send article and image to info@ismeta.org)
- Approved Training Programs can now provide details on their upcoming start dates of new training cycles in the newly added “Upcoming Training” section of their organization’s directory page.
- As always: Keeping your Profile up to date on your directory page is the best way to be seen and for people to find you!
