Dear Leadership Council Representatives,

Please join us for our **June 10, 2024 Leadership Council Meeting from 10 – 11:30 am Eastern Time**. Please [RSVP HERE](#) if you are able to join us. The Zoom link will be sent once you RSVP and it can also be found in the [Leadership Council portal](#). Please note: to register for the meeting, you need to be logged into the ISMETA website with your *organizational email address*, not the email address you use for your personal ISMETA account. If you are not able to attend the meeting on June 10, there is no need to RSVP. In that case, you will watch the video recording of the meeting after June 10. This option of asynchronous attendance is available for a maximum of two meetings per year.

We will continue the important discussion from our previous meeting about the role that online learning plays in your programs/organizations now, and what guidelines ISMETA may develop for online learning in training programs in the future.

We also request that all Approved Training Programs fill out a short, three-question survey about the use of case studies in your programs [HERE](#) before June 21, 2024. If your training requires case studies, we ask that you upload the assignment document(s) to the survey or email them to info@ismeta.org before June 21.

The agenda for the June 10th meeting appears [HERE](#) and includes:

- A somatic arrival
- An update about gathering input about guidelines for online learning in ISMETA Approved Training Programs
- Breakout room discussions and a harvest of those conversations in the main gallery
- Announcements and Closing

This agenda is subject to change at the discretion of the Leadership Council ISMETA Executive Committee work group.

As always, we continue to update the [Leadership Council Roster](#) to ensure it is current. Please check your contact information if you haven't had an opportunity to do so recently and email any updates to info@ISMETA.org . Thank you for helping us keep this list updated with accurate
