Dear Leadership Council Representatives,

Please join us for our **September 11, 2024 Leadership Council Meeting from 12 – 1:30 pm Eastern Daylight Time! Please [RSVP HERE](#) if you are able to join us.** The Zoom link will be sent once you RSVP and it can also be found in the [Leadership Council portal](#). Please note: to register for the meeting, you need to be logged into the ISMETA website with your *organizational email address*, not the email address you use for your personal ISMETA account. If you are not able to attend the meeting on September 11, there is no need to RSVP. In that case, you will watch the video recording of the meeting once it is available. This option of asynchronous attendance is available for a maximum of two meetings per year.

The agenda for the September 11th meeting appears [HERE](#).

We will provide important updates about Global Somatic Movement Day and the feedback we collected from ISMETA members about the potential guidelines we may develop for online learning in training programs in the future. The main topic of conversation will be a draft template for case study reports to possibly use in Approved Training Programs. This agenda is subject to change at the discretion of the Leadership Council ISMETA Executive Committee work group.

As always, we continue to update the [Leadership Council Roster](#) to ensure it is current. Please check your contact information if you haven't had an opportunity to do so recently and email any updates to info@ismeta.org. Thank you for helping us keep this list updated with accurate information. Also, please use the ISMETA Logo wherever possible, especially on your website in a prominent place.

Approved Training Programs, we also invite you to review the [Approved Training Program Handbook](#), which contains all of the important ISMETA information in one place. It lives in the Leadership Council Portal under "Resources" and "More Support Materials," so you will always have easy access to it. In particular, the recently revised "[About ISMETA](#)" curriculum can help you educate your students and members about the value of ISMETA membership.

We look forward to welcoming you to the meeting on Wednesday!

In service,

The ISMETA Leadership Council Team

Richard Sims, Board President

Kehinde Ishangi, Board Vice President

Maya Gayatri Andersson, Board Secretary

Elisabeth Osgood-Campbell, Executive Director
