Dear Leadership Council Representatives,

Please join us for our **December 9, 2024 Leadership Council Meeting from 10 – 11:30 am Eastern Standard Time. Please RSVP [HERE](#) if you are able to join us.** The Zoom link will be sent once you RSVP and it can also be found in the [Leadership Council portal](#). Please note: to register for the meeting, you need to be logged into the ISMETA website with your *organizational email address*, not the email address you use for your personal ISMETA account. If you are not able to attend the meeting on December 9, there is no need to RSVP. In that case, you will watch the video recording of the meeting once it is available. This option of asynchronous attendance is available for a maximum of two meetings per year.

The agenda for the December 9th meeting is attached to this email for your convenience and can also be found in the Leadership Council portal.

We will continue discussing the main topics we've explored with this group this year - proposed guidelines for online learning in our Approved Training Programs and an updated case report template for Approved Training Programs to use as a resource. We will also share some exciting announcements about projects we are planning for 2025.

This agenda is subject to change at the discretion of the ISMETA Leadership Council Executive Committee work group.

As always, we continue to update the [Leadership Council Roster](#) to ensure it is current. Please check your contact information if you haven't had an opportunity to do so recently and email any updates to [info@ismeta.org](mailto:info@ismeta.org). Thank you for helping us keep this list updated with accurate information. Also, please use the ISMETA Logo wherever possible, especially on your website in a prominent place.

We also invite Approved Training Programs to make use of the [Approved Training Program Handbook](#), which contains all of the important ISMETA information in one place. It lives in the Leadership Council Portal under "Resources" and "More Support Materials," so you will always have easy access to it. In particular, the recently revised "[About ISMETA](#)" curriculum can help you educate your students and members about the value of ISMETA membership.

We look forward to seeing you on December 9th!

In service,

The ISMETA Leadership Council Workgroup

Richard Sims, Board President

Kehinde Ishangi, Board Vice President

Elisabeth Osgood-Campbell, Executive Director

Nirvan Ananda, Managing Director
